Geeta University panipat, a member of the Geeta Group of Institutions, was founded in 2022. Geeta University offers undergraduate and graduate programmes in the fields of pharmacy, allied health sciences, agriculture, law, engineering, science, commerce, media studies, the arts,

management, and education. These programmes include B. Pharm, B. Sc., BA, BBA, B. Tech, BCA, MCA, M. Com, MBA, B. Ed, and MA. Admission to these courses is based on performance on the qualifying exam from the previous year. Additionally, the university offers short-term certifications and diploma programmes in a variety of subjects using the most recent technologies, in addition to the normal courses.

After counselling, admission to the B. Tech programme is granted based on a JEE Main result that is genuine. A passing score on the Geeta Law Admission Test is required for admission to the BA-LL.B and BBA-LL.B programmes (GLAT). Candidates who have passed the CLAT or AILET are also eligible for admission to the Integrated LL.B and LL.M programmes. Admission to the MBA programme requires passing the CMAT or a comparable exam; qualified applicants may apply for admission. Admission to the M.Tech programme requires the GATE exam result. A specific placement cell at the university attracts 350+ organisations annually to recruit students from various fields, and it boasts a 100% placement rate.

Highlights

- More than 150 prestigious companies have hired students from the Geeta Group of Institutions so far, with the highest salary reaching INR 15 lakhs annually.
- Recognized as the Best Institute with Outstanding Placement in Haryana
- Honored by Education Minister Haryana as one of the Best Institutions
- Regularly hosts workshops, guest lectures, industrial trips, and seminars for the students.
- Recognized with the Academic Excellence Award and the Global Education Excellence Award.

Geeta University is a member of the Geeta Group of Institutions, a massive educational complex that has existed since 1985. With a journey distinguished by competence, experience, and excellence, the Geeta

Group of Institutions has paved the runway for thousands of ambitions to take off to the destination of jobs.

Today's Geeta University represents the fruition of hopes, ambitions, and a sincere effort to provide a professional programme of the highest caliber on a stimulating campus. Geeta University is ready to soar to new heights since its foundation is grounded in the Karma philosophy and its wings are composed of the goal of higher global knowledge.

One standout feature of Geeta University is the emphasis placed on ethics and preparation to provide the nation with a full complement of corporate citizens; individuals who are national assets, productive resources, individuals who drive innovation, and individuals who are living examples of empowering education and empowering minds.

The campus and curriculum of Geeta University combine sophisticated learning with the street-smart common sense that Indians are known for, and international students can find many worthwhile experiences of India and Indian values that they can bring back to their countries and the rest of the world.

This effort is supported by knowledgeable instructors who encourage the students to follow their passions and give it their all. These instructors have a variety of academic, professional, and business backgrounds, but they all have the desire to help students make the most of their excitement and energy. Our campus is designed to give your personality access to all-around development, our curriculum is designed to bring out your innate passion, and international exchange programmes are designed to facilitate a way for our students to walk on the global footprints of cultures and experience their highlights. Their programmes are created to add value to education.
